## USF in FLORENCE OPEN HOUSE and INFO SESSION

Imagine being able to explore ancient gardens, relive history at the Colosseum, and hike the hills of Cinque Terre. While this sounds like the itinerary of an Italian dream vacation for most, is an academic reality for students traveling to Florence on the **USF in Florence Study Abroad Program**. Not only do you have the chance to experience these remarkable places, but also experience them through dedicated coursework and receive credit for it!

**Join us at the Education Abroad Gateway Office to learn more about USF in Florence**

### **Meet Professor Umberto Gori from Florence University of the Arts**

Talk to Mr. Jim Pulos about signing up to go to Florence this summer.
