FAQ

Q: What does "Transfer Credit Program" mean?

A: This means that our partner overseas is granting the credit for the program. They will issue a transcript once your coursework is done to the USF Education Abroad Office. Our registrar will add the credit to your transfer record.

Q: What if I want to change my classes?

A: If you change classes you must notify your Education Abroad Advisor and your Academic Advisor. This may mean getting new paperwork if the new course wasn't approved previously.

Q: How does this impact my GPA at USF?

A: Students have three GPAs at USF: 1. Institutional (courses taken at USF), 2. Transfer (courses that are from outside USF), and 3. Overall (average of institutional and transfer). Grades earned on this program impact your transfer and overall GPA.

Q: Can I take these courses pass (S) / fail (U)?

A: USF must report grades as they appear on a transfer record. If the host has an S/U equivalent, you must request it from them.

Q: Will this count for my degree at USF?

A: Please see your academic advisor. While 30 of your last 60 hours must be considered USF credit, some departments have additional residency requirements.

Q: Will this count for financial aid?

A: Every student's financial aid situation is different. Different awards have their own requirements. You will need to speak to a USF financial aid advisor for your specific situation. Be sure to tell them you are on a "transfer credit program." However, if your aid does apply to your program you will need to submit a Study Abroad Financial Aid Contract (SAE form) before you go and a Verification of Enrollment letter (VoE) once your program starts. Aid will likely not disburse until after the beginning of classes abroad, once the needed documents are submitted. Please speak to USF University Scholarship and Financial Aid Services for details (www.usf.edu/finaid)
