

## USF SCIENCE IN FLORENCE Course Approval Form (Direct USF Credit ) - Summer 2018

Name: \_\_\_\_\_ U#: \_\_\_\_\_ Major: \_\_\_\_\_

This form is to be used to verify the degree applicability of course selections associated with this program. Students will complete their registration through an on-line process hosted by Florence University of The Arts. (FUA) It is strongly suggested that students get as many course reviewed by their academic advisor as possible. During the on-line registration, students MUST choose two primary courses and two alternate courses. Please note that while participants may select from among the 6-week and 3-week course offerings, all participants must be enrolled in some course work during the entire 6-week Session. The Education Abroad Office will register students in OASIS based on the Official Registration received from FUA.

**ONCE YOU RECEIVE THE REQUIRED SIGNATURE(S) BELOW, UPLOAD THE FORM TO YOUR PROGRAM APPLICATION.**

### SCIENCE COURSES (Student must select at least one of the Science courses listed below)

Course Selection	USF Course Title	USF Course	Hours	Grad Req.?*	Pre-requisites
Yes	No				
<input type="checkbox"/>	Introductory Biochemistry	BCH 3053	3.00	<input type="checkbox"/> <input type="checkbox"/>	CHM 2210; BSC 2010
<input type="checkbox"/>	Organic Chemistry I	CHM 2210	3.00	<input type="checkbox"/> <input type="checkbox"/>	CHM 2046, min. grade C
<input type="checkbox"/>	Organic Chemistry II	CHM 2211	3.00	<input type="checkbox"/> <input type="checkbox"/>	CHM 2210, min. grade C
<input type="checkbox"/>	General Physics I	PHY 2048	3.00	<input type="checkbox"/> <input type="checkbox"/>	MAC 2281 or MAC 2311
<input type="checkbox"/>	Comparative Health Care Systems/Physician Observation	CPO 4930	3.00	<input type="checkbox"/> <input type="checkbox"/>	<i>*Additional application required. Please contact <u>Dr. Merrick</u> for more information.</i>
<input type="checkbox"/>	Historical Perspectives of Chemistry* (FUA-taught)	CHM 4070	3.00	<input type="checkbox"/> <input type="checkbox"/>	1-year of college CHM

### FUA-TAUGHT COURSES

USF students have access to entire FUA course catalog listed below. Course below are taught by FUA Instructors, but students will still be directly registered in the courses for direct USF credit.

For more detailed schedule information visit: <http://fua.it/Academics/academic-schedule.html>

FUA Course Code	FUA Course Title	USF Course	Hours	Grad Req.?*
				Yes No
				<input type="checkbox"/> <input type="checkbox"/>
				<input type="checkbox"/> <input type="checkbox"/>
				<input type="checkbox"/> <input type="checkbox"/>
				<input type="checkbox"/> <input type="checkbox"/>

\*Grad. Req.: Does this course meet a graduation requirement (elective hours, within major course, FKL, etc.)? Courses that do not satisfy a degree requirement may not be considered for funding. Only student's **major** advisor may sign. Student should speak to USF University Scholarship and Financial Aid Services regarding paperwork needed for aid to disburse: <http://www.usf.edu/>

### Required Academic Advisor Signature

*USF STUDENTS:* To be completed student's Major Advisor; *NON-USF STUDENTS:* To be completed by the Education Abroad Advisor of the Student's Home Institution.

Print Name

Department

Phone

Email

\*By signing this document, I affirm that the student has informed me of his/her plans to study abroad with USF and understands how the above credit will count towards their degree.

## Directions for students completing course approval form -- Direct Credit Programs and FAQ:

### Directions

1. Select courses you wish to take on the program based on the instructions on the form.
  2. If a course has a listed pre-requisite that you have not completed, they must obtain special approval by the department listed in the shaded box. The department's representative (advisor, undergraduate coordinator, chair, etc.) signs off allowing the course. *\* If student does not wish to take that course, they may skip this step.*
  3. Student meets with their academic advisor to have the form reviewed at least one month before their program's application deadline (please refer to the program website for more information). Advisors will indicate if courses listed will count towards graduation requirements and discuss degree completion and excess credit hours with the student.
  4. Academic advisor signs off indicating whether the course counts towards graduation requirements. This signature indicate that they have spoken to the student about how the class may impact their degree and excess credit hours.
  5. Student reads and signs conditions on the form.
  6. Signed course approval form is submitted to the USF Education Abroad Office ([EA-Registrar@usf.edu](mailto:EA-Registrar@usf.edu))
  7. Your form will be added to your application with Education Abroad and reviewed for acceptance. Certain programs require additional items for acceptance, please see program website for further information.
- **Students should schedule to meet with their major advisors once the credit has been returned to USF.**
  - PLEASE NOTE: Students planning to take courses towards minors should coordinate communication between the minor and major advisor. The major advisor should still be the individual signing the form, though they may need confirmation from the minor advisor.

### FAQ

#### **Q: What does "Direct Credit Program" mean?**

A: This means that the credit offered on this program is through USF (led by our faculty, reviewed by our departments, etc.). You will be registered for the credit by our office prior to starting the program and will see that registration OASIS / Canvas—just as if you were taking the class on campus.

#### **Q: What if I want to change my classes?**

A: If you change classes you must notify your Education Abroad Advisor and your Academic Advisor. Please note, you are subject to the same withdrawal and late registration policies as you are on campus so changes to courses after the program date may result in late registration fees or W grades.

#### **Q: How does this impact my GPA at USF?**

A: Students have three GPAs at USF: 1. Institutional (courses taken at USF), 2. Transfer (courses that are from outside USF), and 3. Overall (average of institutional and transfer). Grades earned on this program impact your institutional and overall GPA.

#### **Q: Can I take these courses pass (S) / fail (U)?**

A: S/U grades are possible as per regular campus policy. This is a contract between you and your faculty member and should be agreed to prior to beginning the course.

#### **Q: Will this count for my degree at USF?**

A: Please see your academic advisor. This course counts towards USF residency.

#### **Q: Will this count for financial aid?**

A: Every student's financial aid situation is different. Different awards have their own requirements. You will need to speak to a USF financial aid advisor for your specific situation. Be sure to tell them you are on a "direct credit program." Aid will likely not disburse until after the beginning of classes abroad. Please speak to USF University Scholarship and Financial Aid Services for details ([www.usf.edu/finaid](http://www.usf.edu/finaid))
