FAQ

Q: What does "Direct Credit Program" mean?

A: This means that the credit offered on this program is through USF (led by our faculty, reviewed by our departments, etc.). You will register for the credit just as you do for any on-campus or online USF class.

Q: What if I want to change my classes?

A: If you change classes you must notify your Education Abroad Advisor. Please note, you are subject to the same withdrawal and late registration policies as you are on campus so changes to courses after the program date may result in late registration fees or W grades.

Q: How does this impact my GPA at USF?

A: Students have three GPAs at USF: 1. Institutional (courses taken at USF), 2. Transfer (courses that are from outside USF), and 3. Overall (average of institutional and transfer). Grades earned on this program impact your institutional and overall GPA.

Q: Can I take these courses pass (S) / fail (U)?

A: S/U grades are possible as per regular campus policy. This is a contract between you and your faculty member and should be agreed to prior to beginning the course.

Q: Will this count for my degree at USF?

A: Please see your academic advisor. This course counts towards USF residency.

Q: Will this count for financial aid?

A: Every student's financial aid situation is different. Different awards have their own requirements. You will need to speak to a USF financial aid advisor for your specific situation. Be sure to tell them you are on a "**direct credit program**." Aid will likely not disburse until after the beginning of classes abroad. Please speak to USF University Scholarship and Financial Aid Services for details (www.usf.edu/finaid)
